

Retreat Center Reservation Policy

The Camp Myers Retreat Center is a place that allows people to gather in God's creation to grow closer to God and each other. The retreat center is open for three seasons (closed over winter months) and may be used by members and non-members of Christ Lutheran Church of Spry.

To facilitate its use, we have created the following guidelines:

- The retreat center may be reserved beginning on **January 2nd** for that calendar year.
- It is available on a first come, first served basis.
- To reserve the retreat center, contact our congregation's office (717.741.4639 or christspry@yahoo.com), fill out a reservation form and make a deposit to hold the date. At that point, if the date(s) are still open, the reservation will be added to the calendar.
- The administrative assistant will contact you to confirm or deny the reservation based on availability.
- A side note: If there are multiple groups that would like to gather on specific days, the groups may offer to alternate years. That decision is up to those who have already been granted a reservation through the administrative assistant.
- Further questions may be addressed through the above contact information.

Please note, we no longer have a working phone at the retreat center.
